APPELLATION

The definition of luxury living has evolved, with significant emphasis being placed on creating inspiring rooms that convey a sense of casual elegance... a refined, yet relaxed design aesthetic that encourages entertainment.

Appellation is a portfolio of original designs that showcase New Traditional styling, crafted from white oak, gently wire-brushed by hand, and finished in a sophisticated misty gray palette. Statement hardware and distinctive metal accents feature a soft brushed nickel finish that enhances the clean architectural lines of the collection. The look is one of understated elegance, featuring unique dining and occasional designs that define luxury living today.

2200-870C Appellation Round Dining Table
54 inch diameter x 30H in.

Appellation's contemporary sensibilities are embodied in our round dining table, shaped arm chair, and buffet/hutch combination. The dining table is a modern silhouette traditionalized with subtle moldings on the trapezoidal base, and the shape is imitated by the concentric square grain effect of the top.

Our shaped arm chair is based on an Art Deco-era form, and is at home as both a dining and occasional chair. The open configuration and center drawers of the hutch are taken directly from Mid-Century modern styling, while the buffet is a nod to updated traditional styling, with simple overlay moldings contrasted against bold oversized hardware centered on the doors.

The subtle radial starbursts contrast against the Regency-era articulation of moldings and further draw the eye to the striking transitional brushed nickel hardware at the center of each pair of doors.
