TWIN PALMS II

The look of luxury living continues to evolve as we place a greater emphasis on comfort, relaxation and entertaining in the home. As a result, today's design aesthetic embraces casual elegance – featuring lighter wood tones and the effortless blending of materials, textures and color.

Tommy Bahama, as the original purveyor of refined island living, was the first to define this aspirational lifestyle, and has since continued to refine the look through original designs, unique natural materials, and captivating fabric patterns and textures.

Twin Palms is a sweeping lifestyle presentation designed to bring the sophisticated look of destination living home. The Tommy Bahama brand was founded on the belief that the casual elegance of relaxed island living is not defined by a coastal address, but by curated design and a lifestyle that embraces an island state of mind.

FINISH

Crafted from maple veneers and select hardwoods, the standard finish on Twin Palms is Bermuda Sands, which is a warm medium umber coloration. The Red Coral and Pacific Teal finishes are offered exclusively on the 559-624 and 560-624 chests respectively. These finishes are applied over the woven raffia panels for an exceptional custom look.
